# Summer Promotion for Travel+ Insurance Plan!

Can entitle  
**20**%  
premium  
discount

As the peak season for summer vacation is coming to an end, seize the chance to  
enjoy **up to 20% premium discount** on Single Trip Travel Plan by enrolling  
to Travel+ Insurance Plan offered by Zurich Insurance  
via ZONE Access Portal (<https://gi.zurich.com.hk/agent>) on or before 31 August.

The sooner you book your travel insurance, the better. Travel+ allows for your  
enrolment 90 days prior to the departure date and hence the best time to purchase  
your travel insurance is as soon as you have booked or finalized your holiday. In case of  
any serious accident or illness which results in a trip cancellation, you may still be able  
to make a claim for your pre-paid costs related to non-refundable flights,  
accommodation, tours and other related travel bookings from the insurance company  
to eliminate your losses. For the premium and product information of Travel+, please  
refer to the Product Bible or contact 2968 2398.
